

EXPERIENCE

DESIGNER II / MICROSOFT : DATA GROUP - 2015-PRESENT

Working at Microsoft, I have been primarily involved in the ideation and production of interfaces for managing services on the Azure framework. Products include Azure Search, HDInsight and a handful of other internal-facing or confidential projects. [SUPERVISOR: ASK FOR MORE INFORMATION](#)

SENIOR UX DESIGNER / WIZARDS OF THE COAST - 2012-2015

My most recent work has dealt with improving team processes and reporting transparency. With capacities ranging from **UX consultation to project strategy**, my primary goal has always been consistency and clarity. Serving as the lead internal UX authority for redesigns of the Magic: The Gathering, Wizards Play Network, Community & D&D Sites, I saw each site through the to a new platform, Drupal. I assisted in bug priority determination and hands-on vendor direction. [SUPERVISOR: MATT MURRAY](#)

ART DIRECTOR / CARPOOL AGENCY - 2011-2012

From initial discussions to ideation, and throughout the production phase, I insured a consistent user experience. My responsibilities covered the gamut of consultant, art director & production designer as necessary. I completed regular quality reviews with the development team prior to final site launches. The work was primarily digital, with the occasional print piece or advertising campaign. [CONTACT: JAROM REID - 425.647.8421](#)
